Outreach

ALUMNI AND FRIENDS:

Have you joined the NPS community?

The online community is a secure, interactive free service offered by the NPS Alumni Relations Office and is open to all students, faculty, staff, friends, and alumni of NPS. To create an account visit: www.nps.edu/alumni

Professor Don Summers lecturing EMBA DL students during a San Diego site visit.

MESSAGE FROM DUDLEY KNOX LIBRARY:

The NPS Dudley Knox Library is now accessible from your mobile device! Simply go to <http://mdkl.nps.edu/> or scan the QR code on the left. Not sure what a QR code is? Visit our QR Codes LibGuide (<http://libguides.nps.edu/QR/>) to learn more. The mobile site includes useful information and links to mobile versions of the library catalog (BOSUN), our research databases and eBook vendors that have mobile-friendly interfaces, and convenient links to the full website services such as [Find eJournals](#) and [Request Materials](#). We are adding links to new resources to the site as they develop mobile interfaces so check it out periodically. Questions? Comments? Concerns? Contact Dudley Knox Library Research Assistance at refdesk@nps.edu or (831)656-2485.

A note to NPS students in the San Diego area: For the past two years, Eileen Schnur has been available to San Diego students for research consultations, library briefs, and general outreach. Eileen will still be at SPAWAR where she has held a concurrent position, but will no longer be doing San Diego area work for Dudley Knox Library. When you need assistance, please contact refdesk@nps.edu and we will put you in touch with the [librarian assigned to your program](#). Please join us in wishing Eileen the best of luck in this next stage in her career!

NPS AND NAVY COLLEGE OFFICE:

Navy College Office Naval Base Coronado (NBC) and the Naval Postgraduate School (NPS) have teamed to offer a series of on base classes in Math and Physics. These courses prepare 1800, 3100, and 13XX officers for NPS by helping them improve their Academic Profile Code (APC) score. The following classes will be held on Naval Base Coronado: PHYS 206- Phys Scientist & Eng II 5SH (21 March - 4 May 2012) PHYS 300 & 300L - Phys III & Lab 4SH (2 July - 24 Aug 2012)

If you are interested in joining in this dedicated cohort of professionals, please contact CAPT Craig Turley, USN (Ret), NPS POC at (619) 556-3282 or by email at cturley@nps.edu or the NCO NBC POC at (619) 545-6259 or by email at nco.coronado@navy.mil.

OFFERING OVER 40 DISTANCE LEARNING CERTIFICATE & MASTERS DEGREE PROGRAMS

Online applications are currently being accepted for the following programs, that begin the week of July 2, 2012. Deadlines for Summer Applications vary, but are rapidly approaching!

PROGRAMS STARTING IN SUMMER 2012:

MASTERS DEGREE PROGRAMS:

Masters of Science: Systems Engineering Non-Resident Degree Program: Focuses on the development of complex systems, the understanding of engineering methods and its application to problem solving, understanding of large and f spectrums of systems engineering life cycle and the analyses and integration of systems. Point of Contact: Gene Paulo at eppaulo@nps.edu or Wally Owen at wowen@nps.edu.

Master of Science in Program Management (MSPM): Focuses on leadership problem solving and making decisions with the acquisition environment utilizing case studies, team exercises, and hands-on applications. The curriculum is designed to provide graduates with the knowledge, skills and abilities to manage and lead effectively in the federal government acquisition environment. Point of Contact: Brad Naegle at brnaegle@nps.edu.

Master of Science: Contract Management (MSCM): Embodies an interdisciplinary approach to problem solving and analysis, including quantitative financial analysis, economics, and public and private sector operations. The curriculum is designed to provide civilians with the knowledge and skills, and abilities to manage and lead effectively in systems buying offices, field contracting offices, and contracting policy offices. Point of Contact: Dr. Wally Owen at wowen@nps.edu

CERTIFICATE PROGRAMS:

Information Systems and Operations Certificate (ISO): Focuses on the integration of information technologies, command and control processes, and IO methods in the context of Network Centric Warfare. Point of Contact: ISOCertProg@nps.edu

Electric Ships Power Systems (ESPS): Provides a solid engineering foundation in electrical power and electromechanical power conversion at the advance level. Exposes students to a mixture of instruction and computer-based laboratories, while studying the behavior and performance of power systems in a virtual environment. Point of Contact: Farques@nps.edu

Space Systems Operations (SSO): Provides the foundation to understanding the integration of space capabilities across combined armed forces, involving networks, sensors, and weapons. The certificate course sequences covers MILSATCOM, remote sensing, physics of the space environment, and orbitalogy, providing knowledge, and insight to exploit the combat advantage provided by current and future space-based resources. Point of Contact: William J. Welch: wwelch@nps.edu

Cyber Security—Fundamentals: Now Accepting Applications—Fall 2012: Create a rigorous foundation to build knowledge & skills in computer network defense, attack & exploitation. Next, conquer the **Defense Certificate** to learn how to function in real-life operational situations & prepare for potential attacks. Top-off your learning experience with the **Adversarial Certificate** by learning to analyze & discover malware, decipher attach mechanisms, and counteract aggressive networks. POC: cyber@nps.edu

Masters Programs starting any quarter :

Software Engineering
Electronic Systems Engineering
Systems Engineering
Underwater Acoustics Systems

Certificate Programs starting any quarter:

Information Systems Technology
Journeyman (EW) Engineering
Scientific Computation
Federal/DOD Identity Management
Senior (EW) Engineering
Electronic Warfare (EW)

**** There is no service obligation for those participating in Certificate Programs. ****
For further information regarding distance learning or resident programs and to apply please visit: <http://www.nps.edu/dl>

The NPS San Diego Office is located in Building 152 on the wet side of Naval Base San Diego (32nd Street), next to Port Ops. Craig Turley, CAPT USN (Ret.) is available for command briefings and individual counseling on resident and distance learning graduate education opportunities. He can be contacted at cturley@nps.edu. Appointments are available by contacting (619) 556-3289 or SanDiegoFCA@nps.edu
